

## **Targeting the Single Female Consumer**

By Roxane Marini

 [Table of Contents](#)

## **Roxane Marini**

Roxane Marini is a contributing writer and editor for the Intelligence Factory and has worked on projects for clients such as Philip Morris, Conde Nast, and Ericsson. For over 20 years, she has worked as a writer and editor in the professional development and communications departments of companies and law firms such as Thelen, Reid & Priest, and Howard, Rice, Nemerovski, Canady, Falk & Rabkin. She earned a J.D. degree from the University of San Francisco and an M.F.A. degree from San Francisco State University, where she taught undergraduate courses in poetry, fiction, and drama. She has both critical and creative work published in such journals as *Transfer* and *Interim*. She also contributed to launching the premiere issue of *Lipstick Eleven*, a magazine on pop culture and experimental writing.

## **Series Editor: Danielle Blumenthal**

Danielle Blumenthal, Ph.D., is vice president and editorial director at The Intelligence Factory. She is the author of *Women and Soap Opera: A Cultural Feminist Perspective* (Praeger Publishers, 1997) as well as the recently published "Representing the Divided Self," (*Qualitative Inquiry*, September 1999), an exploration of paradoxes in interview research. Dr. Blumenthal is a graduate of the doctoral program in sociology at the Graduate School and University Center of the City University of New York, and has lectured at a number of colleges. She is also an experienced writer, editor, and researcher, with a roster of clients that includes, among others, Carroll & Graf Publishers, Addicus Books, Four Walls Eight Windows, Harlequin/Silhouette, and Cambridge University Press.
